(iii) Every pilgrim is required to present his or her pass for registration to the Executive Officer of the Port Haj Committee of the port of embarkation in India.

(iv) Every pilgrim is required, on landing at Jedda, to get his or her pass registered at the British Legation, Jedda, and to deliver to His Majesty's Representatives, his or her return ticket, if any, or deposit-paid receipt, for safe custody.

(v) Pilgrims are warned that if they do not deposit their deposit-paid receipts or return tickets, at the British Legation, Jedda, they will run the risk of their loss and will also lose the benefit of the Rotation System by which return passage is determined on the occasion of their homewardbound journey thereby incurring unnecessary expenses during their stay at Jedda.

(vi) Pilgrims are advised to report to the Indian Vice-Consul at Jedda any difficulty they may experience during their stay in the Hejaz.

(vii) The Indian Vice-Consul is always accessible to pilgrims and ready to help and assist them in their difficulties in the Hejaz.

(viii) Free medicine and free consultation are available for Indian pilgrims at the Government of India dispensaries at Mecca, Jedda and Muna. Pilgrims in need are advised to avail themselves of these facilities. The Indian Medical Officer charges five rupees for a visit to the patient's lodging and medicine is supplied free. Indigent pilgrims who are too ill to attend the Indian dispensaries personally are attended free in their quarters.

(ix) Pilgrims are warned in their own interests not to appoint executor against the event of their death in the Hejaz to deal with their estates. Such appointments only involve the estate in unnecessary expenditure without corresponding advantage. The general procedure of dealing with the effects of those who die is that the local Government collect them on the death of a pilgrim and eventually hand them over to the British Legation at Jedda, who forwards them to the authorities concerned at the ports of embarkation in India for disposal.

(x) Pilgrims are warned that their deposit-paid receipts or return tickets are not transferable and are liable to confiscation if found in the possession of an impostor.

The writer prefers that orthodox Hindus should be "ruled by the Governors and their Secretaries according to the laws and constitution that obtained in India prior to the introduction of Minto-Morley Reforms" and that instead of being party to their own extermination, they had better be disenfranchised.] Edited by Tarini Sankar Chakravarty. GOVERNMENT OF BENGAL.

REVENUE DEPARTMENT.

Land Revenue.

RESOLUTION—No. 80 T.R.

Darjeeling, the 28th April 1938.

Read—

The Report of the Board of Revenue, Bengal, on the administration of the wards, attached and trust estates in the Presidency of Bengal for the year 1343 B.S. (1936-37).

1. At the beginning of the year under report the total number of estates under the management of the Court of Wards was 129. Nine new estates were brought under management of the Court and four estates were released during the year. Thus at the close of the year there were 134 estates in charge of the Court.

2. Out of the aggregate of Rs. 77,26,705 due to Government as revenue and cesses, a sum of Rs. 66,22,973 or 85·7 per cent. of the total was paid during the year, as against 81·3 per cent. in the previous year.

3. The total current demand due to the estates on account of rent and cesses was Rs. 1,70·43 lakhs and arrear demand Rs. 3,40·90 lakhs. The total sum collected was Rs. 1,81·27 lakhs representing 35·4 per cent. of the total demand or 106·3 per cent. of the current demand against 35·0 per cent. and 93·3 per cent., respectively, in the preceding year. This increase is mainly due to the increase of collection (6¾ lakhs) in the Kasimbazar Raj Estate.

4. The total amount of ascertained debts of the Court of Wards Estates in the Presidency at the close of the year under report stood at Rs. 3,28,85,049 against Rs. 2,89,41,124 in the preceding year. The increase is due to the assumption of charge of some new estates with heavy debts and to the addition of unpaid interest. The principal repaid or otherwise reduced amounted to Rs. 26,38,882 and the interest paid or otherwise reduced Rs. 16,23,077 as compared with Rs. 44,20,325 and Rs. 17,18,584, respectively, in the previous year.

5. The percentage of cost of management of the estates in the whole Presidency on their current rent and cess demand was 11·2 as against 11·8 in the preceding year. Law expenses fell from Rs. 11·69 lakhs in 1935-36 to Rs. 9·69 lakhs.

6. The total sum spent during the year under the heads schools, dispensaries and works of improvement amounted to Rs. 5,91,004 against Rs. 5,52,269 of the previous year.

7. The thanks of the Governor are due to the Board of Revenue for the efficient administration of the estates under the management of the Court of Wards. He also notices with pleasure the work done by the Managers mentioned in the report.

CORRIGENDUM.

The Bengal Financial Rules, 1st Edition (Reprint), 1930.

No. 4361F.—3rd May 1938. *Page 28.—Rule 53A.*—For this rule with the heading above it, *substitute* the following:—

Attachment of Pay and Allowances for Debt.

Rule 53A. The extent to which the emoluments of a Government servant are exempt from attachment for debt is laid down in section 60 (*1*) of the Code of Civil Procedure, 1908, as amended by the Code of Civil Procedure (Second Amendment) Act, 1937, and further modified by the Government of India (Adaptation of Indian Laws) Order, 1937, and the Government of India (Adaptation of Indian Laws) Supplementary Order, 1937. The following is an extract of the relevant provisions of the section:—

"60 (*1*). The following property is liable to attachment . . . . . in execution of a decree . . . . :

Provided that the following particulars shall not be liable to such attachment . . . . , namely:—

(*i*) the salary of any public officer . . . . to the extent of the first hundred rupees and one-half the remainder of such salary:

Provided that, where the whole or any part of the portion of such salary liable to attachment has been under attachment, whether continuously or intermittently for a total period of twenty-four months, such portion shall be exempt from attachment until the expiry of a further period of twelve months and, where such attachment has been made in execution of one and the same decree, shall be finally exempt from attachment in execution of that decree;

* * * * *

(*l*) any allowance forming part of the emoluments of any public officer . . . . which the appropriate Government may by notification in the official gazette declare to be exempt from attachment, and any subsistence grant or allowance made to any such officer . . . . while under suspension;

Explanation 2.—In clauses . . . . . and (*i*), 'salary' mean the total monthly emoluments, excluding any allowance declared exempt from attachment under the provisions of clause (*1*), derived by a person from his employment whether on duty or on leave.

Explanation 3.—In clause (*1*), 'appropriate Government' means—

(*i*) as respects any public officer in the service of the Central Government, ... , the Central Government;

(*ii*) as respects any public officer employed in connection with the exercise of the functions of the Crown in its relations with Indian States, the Crown Representative, and

(*iii*) as respects any other public officer . . . . . , the Provincial Government."

Note 1.—Compensatory allowances are not included in the term "pay" for the purpose of this rule and should be treated as exempt from attachment by a Civil Court. Exchange compensation allowance is included.

Note 2.—The maximum pay attachable by a Civil Court is calculated on the amount earned and not what remains after satisfying any debts due to Government on account of advances taken under rule.

Note 3.—Subscriptions to funds recognised by Government, instalments in repayment of advances from the General Provident Fund and recoveries of income-tax, deductions for which appear in the pay bill, should be excluded from the aggregate pay for the purpose of attachment by a Civil Court.

Note 4.—Sterling overseas pay, or that portion of leave-salary which is based on sterling overseas pay, not being payable in British India, is not liable to attachment by a Court of Law in India as part of pay or leave-salary of a public officer and cannot be taken into account in assessing the amount which is liable to such attachment.

Note 5.—Cases may occur in which the judgment-debtor does not sign the acquittance roll and intentionally allows his pay to remain undisbursed; or the judgment-debtor, being a gazetted officer or not being a gazetted officer but being permitted to draw his pay on a separate pay bill, may refrain from preparing his pay bill and drawing his pay regularly in order to evade payment on account of an attachment order issued by a Court of Law. In such circumstances the head of the office or, in the case of a gazetted officer or of an officer treated in this respect like a gazetted officer, the Administrative Officer of the department concerned may draw the pay of the judgment-debtor in satisfaction of the attachment order subject to the prescribed restrictions laid down and remit the amount to the Court concerned. The amount of the pay drawn should be charged in the accounts, the particulars of attachment order being cited in the acquittance roll or the pay bill, as the case may be, as an authority for the charge and the Court's receipts for the amount should be filed with the attachment register.

Note 6.—Amounts deducted from pay bills of gazetted and non-gazetted Government servants under prohibitory orders issued by a Court of Law not located at the headquarters of the treasury cashing the bills, should be remitted to the Court concerned by postal money order, remittance transfer receipts or demand drafts, as the case may be. The money order commission or the premium payable for the use of remittance transfer receipts or demand drafts should be deducted from the amount realised under the orders of attachment.

Remarks.

Figure in column 20 is rather misleading. The figure is meant to give an idea of annual normal surplus expected in future. But the average of past 3 years (the basis of the valuation) cannot always be reckoned as the sure test. There might be extraordinary expenditures under certain heads in any particular year which would in consequence seriously affect the otherwise probable surplus. In this municipality under (2) in column 16 "Public Safety" Rs. 29,034 (*i.e.*, about Rs. 8,250 in excess of normal) had to be spent in 1935-36 to clear off the old liabilities for electric and other bills. The total expenditure of that year was, therefore, in excess of the total receipts of the year and surplus of the previous year had to be drawn upon to meet the excess expenditure. Still the actual closing cash balance on 31st March 1936 was Rs. 2,610-15. Again in the loan application for Rs. 1,30,000 submitted in July 1936, the figure in column 20 (on the basis of the prescribed calculation) was—700, apparently indicating that no surplus was to be expected at the end of 1936-37. As a matter of fact, however, the total receipts as per column 15 were in excess of the total expenditure in column 19 by Rs. 12,063.

As already submitted in the application for final sanction of the scheme of extension, there are absolutely no old liabilities outstanding and so no expenditure of an abnormal nature has to be incurred henceforth. So the norma annual surpluses in future may safely be fixed upon at very decent amounts.

11. *Drawback on exports to Cutch.*—When any motor spirit, upon which the excise duty leviable under the Act has been paid, is proved to have been hereafter despatched by sea from the port of Karachi to a port in Cutch, the whole of the excise duty paid in British India shall be repaid as drawback, provided the Customs-collector is satisfied that the motor spirit has been landed in Cutch.

12. *Collector of Customs to furnish a certificate of exports.*—(*1*) The Collector of Customs at the port of shipment may take such steps as may be necessary to satisfy himself that the goods brought for export correspond with the description given in Form D, and that the contents are as therein stated. The said certificate shall be made over to the owner of the manufactory and shall be filed by him with the Assistant Commissioner at the time of filing the return prescribed by clause 4.

the person chargeable with the duty so short-levied, or to whom such refund has erroneously been made, shall pay the deficiency or repay the amount paid to him in excess, on demand being made within six months from the close of the month in respect of which the duty shall have been levied or from the date of making the refund.

15. *No refund of duty erroneously levied or paid unless claimed within six months.*—No duty which has been paid and of which repayment wholly or in part is claimed in consequence of the same having been paid through inadvertence, error or misconstruction, shall be returned unless such claim is made within six months from the date of such payment.

16. An appeal shall lie from any order of the Assistant Commissioner to the Deputy Commissioner, and from any order of the Deputy Commissioner to the Commissioner. No appeal shall lie from any appellate order of the Commissioner, but an appeal shall lie from any original order of the Commissioner to the Central Board of Revenue. The Central Government may revise any order passed under the Act from which no appeal lies:

Provided that no order in revision shall be passed having an effect more prejudicial to the person concerned than the order under revision without such person being given an opportunity of stating his case.

17. No appeal under clause 16 shall be admitted unless received by the appellate authority within three months of the date of the order.

No. E.-38-R.R.-5.—The following rules for recruitment to the Transportation (Traffic) and Commercial Departments of the Superior Revenue Establishment of State Railways are published for general information:—

RULES.

PART I.

Methods of Recruitment.

1. These Rules may be called the Transportation (Traffic) and Commercial Departments of the Superior Revenue Establishment of State Railways Recruitment Rules.

2. For the purposes of these Rules—

(*b*) "The Commission" means the Federal Public Service Commission (India);

(*c*) "High Commissioner" means the High Commissioner for India;

(*d*) "the Department" means the Transportation (Traffic) and Commercial Departments of the Superior Revenue Establishment of State Railways;

(*e*) "Direct appointment" means appointment otherwise than on the result of a competitive examination or by promotion or transfer from another Service/Department.

3. The Department shall be recruited by the following methods:—

(*i*) By competitive examination held in India in accordance with Part II of these Rules.

(*iv*) By direct appointment of persons of Indian Domicile or of European or Indian descent domiciled in Burma in accordance with Part IV of these Rules.

4. Subject to the provisions of rule 3, Government shall determine the method or methods to be employed for the purpose of filling any particular vacancies, or such vacancies as may require to be filled during any particular period, and the number of candidates to be recruited by each method.

5. Vacancies in the Department which are filled otherwise than by promotion shall be apportioned between the various communities in India in accordance with the provisions of the Government of India (Home Department) Resolution No. F. 14/17-B./33-Ests., dated the 4th July 1934, and the supplementary instructions connected therewith.

PART II.

Recruitment by competitive examination.

6. A competitive examination for admission to the Department shall be held in India at such times and places as Government may prescribe by notice issued through the Commission. Every such notice will, when possible, announce the number of vacancies to be filled on the result of the examination.

7. If the examination held under this part of these Rules is a combined examination for the purpose of making appointments to more than one Service or Department, the following provisions shall apply:—

Any person may apply to be admitted as a candidate for appointment in all or any of these Services or Departments for which he is eligible. If he wishes to compete for appointment in more than one Service or Department, he shall state on his application form which Services or Departments he wishes to compete for and the order of his preference between them, and in such case only one application form will be necessary and one payment of the fees referred to in rule 16 (and Appendix III) will be sufficient.

(*ii*) Government shall assign sucessful candidates to each Service or Department on a consideration of all circumstances including any personal preference expressed by the candidate.

8. The candidates to be admitted to the examination shall be limited to such number, being not less than 200 and not more than 300, as the Commission may fix. If the number of candidates exceeds that limit, the Commission shall select from the applicants those who shall be admitted to the examination, and in doing so shall have regard to the suitability of the applicants and to the adequate representation of the various communities and provinces of India.

9. (*i*) * A candidate who is in the permanent service of the Government shall apply to the Commission for admission to the examination through the Head of his Office, who shall forward his application to the Commission through the Government concerned unless he refuses his consent to the application.

*The submission of applications by persons in Government service is further governed by the Government Servants' Applications for Posts $\frac{\text{(Central Services)}}{\text{(Railway Services)}}$ Rules, [published with the Government of India, $\frac{\text{Home Department}}{\text{Railway Department (Railway Board)}}$ Notification $\frac{\text{No. F. 510/31-Ests.}}{\text{No. E.-34-R. R. I.}}$, dated the $\frac{\text{7th June 1934}}{\text{22nd January 1935}}$, as amended from time to time] and the corresponding rules made by Provincial Governments.

(*ii*) A candidate who is not in Government service, or is employed in Government service only in a temporary capacity at the time that he submits his application, shall apply to the Commission through the proper authority of the area in which his parents reside at the time of submitting his application, or have resided for a period of not less than three years, or in which the candidate has himself resided, otherwise than as a student, for a like period. A Government servant who is employed in a temporary capacity should, however, before submitting his application, obtain in writing, on the prescribed form the permission of the Head of the Office or Department in which he is employed.

(*iii*) The proper authority for a Governor's Province shall be the Provincial Government of that Province; for Coorg, Delhi, Ajmer-Merwara, British Baluchistan or Andaman and Nicobar Islands, the Chief Commissioner; and for a State in India the Political Officer or Agent who must be addressed through the Government of the State.

(*iv*) No candidate may make more than one application in respect of any one occasion on which an examination is held.

10. A candidate must be a male and either—

(*a*) a British subject of Indian domicile or of European or Indian descent domiciled in Burma whose father (if alive) is a British subject or a subject of a State in India, or (if dead) was at the time of his death either a British subject or a subject of a State in India or a person in the permanent service of the Crown or a person who had retired from that Service; or

(*b*) a Ruler or a subj[illegible] State in India.

Provided that in the case of a male British subject the requirements of this rule (other than that concerning domicile) may be waived by Government if satisfied that their observance would occasion exceptional hardship and that the candidate is so closely connected by ancestry or upbringing with His Majesty's dominions as to justify special treatment.

Provided also that a Ruler or a subject of a State in India cannot be appointed unless he has obtained a declaration under sub-section 1 of Section 262 of the Government of India Act, 1935, whether or not he has already obtained a declaration under Section 96A of the Government of India Act, 1919.

NOTE.—British subjects of European or Indian descent domiciled in Burma will not, however, be eligible to compete at the Indian Audit and Accounts, etc., Services Examination that may be held after the 1st April 1939.

The decision of the Commission as to the eligibility or otherwise of a candidate for admission to the examination shall be final.

15. No recommendations except those invited in the form of application shall be taken into consideration. Any attempt on the part of a candidate to obtain support for his candidature by other means may disqualify him for admission.

16. Candidates must pay such examination fees as Government may prescribe (see Appendix III). No claim for a refund of any of these fees will be entertained, nor can they be held in reserve for subsequent examinations or selections.

17. Examinations under these Rules shall be conducted by the Commission in the manner prescribed in the regulations which form Appendix II to these Rules.

18. (*i*) After every examination the Commission shall make a list of the candidates in order of their merit as disclosed by the aggregate marks finally awarded to each candidate, and in that order so many candidates up to the number of vacancies announced under rule 6 above, as are found by the Commission to be qualified by the examination and

*NOTE.—These age limits apply whether or not the candidate is already in Government Service.

19. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the discharge of his duties as an officer of the Department. A candidate who (after such medical examination as Government or the appointing authority, as the case may be, may prescribe) is found not to satisfy those requirements will not be appointed. Only candidates who are likely to be appointed will be medically examined.*

20. (*a*) Appointments shall be made on probation for a period of three years.

(*b*) If, in the opinion of Government the work or conduct of an officer on probation is unsatisfactory, or shows that he is unlikely to become efficient, Government may discharge him forthwith.

(*c*) On the conclusion of his period of probation, Government may confirm the officer in his appointment, or, if his work or conduct has in the opinion of Government been unsatisfactory, Government may either discharge him from the Service or may extend his period of probation for such further period as Government may think fit.

(*d*) If no action is taken by Government under sub-rule (*b*) or (*c*) of this rule, the period after the prescribed period of probation shall be treated as an engagement from month to month, terminable on either side on the expiration of one calendar month's notice in writing.

(*e*) If the power to make appointments in the Department is delegated by Government to any officer, that officer may exercise any of the powers of Government under this rule.

(*f*) Particulars as to (1) pay, the State Railway Provident Fund and the Gratuity Rules and (2) courses of training will be found in Appendices IV and V.

No one shall have any claim to such promotion as of right.

22. Recruitment by transfer from another Service/Department shall be made by Government after consultation with the Commission, from among members of such other services or departments as may be determined by Government when occasion arises.

Recruitment by Direct Appointment.

24. Recruitment by direct appointment of eligible persons living in India shall be made in India on the recommendation of the Commission, and of eligible persons living out of India on the recommendation of the High Commissioner, who may appoint a selection board to advise him concerning the appointment, and may determine the manner in which any such selection board shall exercise its functions.

*27. Government may modify or waive all or any of the requirements of rule 25 (*a*), (*b*) and (*c*) when an appointment for work of a special nature is to be made and it is not practicable to obtain a suitable candidate who fulfils all the requirements of rule 25.

RULES.

PART I.

Methods of Recruitment.

1. These Rules may be called the Customs and Accounts Service Recruitment Rules.

2. For the purposes of these Rules—

(a) "Government" means the Governor-General in Council;

(b) "The Commission" means the Federal Public Service Commission (India);

(c) "The Service" means the Indian Audit and Accounts Service, the Imperial Customs Service, the Military Accounts Department and the Indian Railway Accounts Service.

3. The Service shall be recruited by the following methods:—

(i) By competitive examination held in India in acordance with Part II of these Rules.

(ii) By promotion or transfer from another Service or Department in accordance with Part III of these Rules.

4. Subject to the provisions of rule 3, Government shall determine the method or methods to be employed for the purpose of filling any particular vacancies, or such vacancies as may require to be filled during any particular period, and the number of candidates to be recruited by each method.

5. Vacancies in the Service which are filled otherwise than by promotion shall be apportioned between the various communities in India in accordance with the provisions of the Government of India (Home Department) Resolution No. F. 14/17-B./33-Ests., dated the 4th July 1934, and the supplementary instructions connected therewith.

PART II.

Recruitment by competitive examination.

6. A competitive examination for admission to the Service shall be held in India at such time and place as Government may prescribe by notice issued through the Commission. Every such notice will, when possible, announce the number of vacancies to be filled on the result of the examination.

7. The competitive examination shall be a combined examination for admission to the Indian Audit and Accounts Service, the Imperial Customs Service, the Military Accounts Department, the Indian Railway Accounts Service, the Postal Superintendents Service, (Class II) Service and the Transportation (Traffic) and Commercial Departments of the Superior Revenue Establishment of State Railways.

Any person may apply to be admitted as a candidate for appointment in all or any of these Services for which he is eligible. If he wishes to compete for appointment in more than one Service he shall state on his application form which Services he wishes to compete for and the order of his preference between them, and in such case only one application form will be necessary and one payment of the fees referred to in rule 16 (and Appendix III) will be sufficient.

Government shall assign successful candidates to each Service on a consideration of all circumstances including any personal preference expressed by the candidate.

8. The candidates to be admitted to the examination shall be limited to such number, being not less than 200 and not more than 300 as the Commission may fix. If the number of applicants exceeds that limit, in selecting those who shall be admitted to the examination the Commission shall have regard to the suitability of the applicants and to the adequate representation of the various communities and provinces of India.

9. (*i*)* A candidate who is in the permanent service of the Government shall apply to the Commission for admission to the examination through the Head of his Office, who shall forward his application to the Commission through the Government concerned unless he refuses his consent to the application.

(*ii*) A candidate who is not in Government service, or is employed in Government service only in a temporary capacity at the time that he submits his application, shall apply to the Commission through the proper authority of the area in which his parents reside at the time of submitting his application, or have resided for a period of not less than three years, or in which the candidate has himself resided, otherwise than as a student, for a like period. A Government servant who is employed in a temporary capacity should, however, before submitting his application, obtain in writing, on the prescribed form, the permission of the Head of the Office or Department in which he is employed.

(*iii*) The proper authority for a Governor's Province shall be the Provincial Government of that Province; for Coorg, Delhi, Ajmer-Merwara, British Baluchistan or Andaman and Nicober Islands, the Chief Commissioner; and for a State in India the Political Officer or Agent who must be addressed through the Government of the State.

(*iv*) No candidate may make more than one application in respect of any one occasion on which an examination is held.

10. A candidate must be a male and either—

(*a*) a British subject domiciled in India or a British subject of European or Indian descent domiciled in Burma, whose father (if alive) is a British subject or a subject of a State in India, or (if dead) was at the time of his death either a British subject or a subject of a State in India or a person in the permanent service of the Crown or a person who had retired from that Service; or

(*b*) a Ruler or a subject of a State in India.

Provided that in the case of a male British subject the requirements of this rule (other than that concerning domicile or descent) may be waived by Government if satisfied that their observance would occasion exceptional hardship and that the candidate is so closely connected by ancestry or upbringing with His Majesty's dominions as to justify special treatment.

Provided also that a Ruler or a subject of a State in India cannot be appointed unless he has obtained a declaration under Section 262 of the Government of India Act, 1935, whether or not he has already obtained a declaration under section 96A of the Government of India Act, 1919.

NOTE.—British subjects of European or Indian descent domiciled in Burma will not, however, be eligible to compete at the Indian Audit and Accounts, etc., Services Examination that may be held after the 1st April 1939.

11. Candidates must have attained the age of 22, and must not have attained the age of 25, on the first day of August of the year in which the examination is held.

Provided that a Government* servant who is over the age of 25 and under the age of 28 on that date may be admitted to the examination if he—

(*a*) holds substantively a permanent appointment in a Department or (in the case of the Indian Railway Accounts Service) Branch, whose superior staff generally constitutes the Service for which he is a candidate, and

(*b*) is recommended by the Head of his Department.

12. A candidate must satisfy the Commission that his character and antecedents are such as to make him suitable for appointment to the public service. No candidate who is in the employment of the Central or of a Provincial Government will be admitted to the examination, unless the Head of his Department reports that his character and attainments are satisfactory.

13. A candidate must be a graduate of one of the Universities enumerated in the first appendix to these rules or must hold the Senior Diploma of the Mayo College, Ajmer.

Provided that, in exceptional cases, the Commission may, on the recommendation of the Central Government or a Provincial Government, treat as qualified a candidate who, though he has not any of the foregoing qualifications, has passed examinations conducted by other institutions of a standard which in the opinion of the Commission justifies his admission to the examination.

14. No candidate shall be admitted to the examination unless he holds a certificate of admission from the Commission.

The decision of the Commission as to the eligibility or otherwise of a candidate for admission to the examination shall be final.

15. No recommendations except those invited in the form of application shall be taken into consideration. Any attempts on the part of a candidate to obtain support for his candidature by other means may disqualify him for admission.

*The submission of applications by persons in Government service is further governed by the Government Servants' Applications for Posts (Central Services)/(Railway Services) Rules published with the Government of India, Home Department/Railway Department (Railway Board) Notification No. F. 510/31-Ests./No. E. 34-R. R. I. dated the 7th June 1934/22nd January 1935' as amended from time to time and the corresponding rules made by Provincial Governments.

*For the purpose of this proviso, a person holding an appointment in the service of an Indian State is not a "Government servant".

16. Candidates must pay such examination fees as Government may prescribe (see Appendix III). No claim for a refund of any of these fees will be entertained, nor can they be held in reserve for subsequent examinations or selections.

17. Examinations under these Rules shall be conducted by the Commission in the manner prescribed in the regulations which form Appendix II to these Rules.

18. (*i*) After every examination the Commission shall make a list of the candidates in order of their merit as disclosed by the aggregate marks finally awarded to each candidate, and in that order so many candidates up to the number of vacancies announced under rule 6 above, as are found by the Commission to be qualified by the examination and are considered by Government or the appointing authority, as the case may be, to be suitable in all other respects, shall be appointed.

(*ii*) For the purposes of rule 5 of these Rules, selections for appointment to vacancies to be filled by members of a particular community or communities shall be made by Government or the appointing authority, as the case may be, after consulting the Commission, from candidates of that community or communities who have qualified at the examination.

19. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the discharge of his duties as an officer of the Service. A candidate who (after such medical examination as Government or the appointing authority, as the case may be, may prescribe) is found not to satisfy these requirements will not be appointed. Only candidates who are likely to be appointed will be medically examined.*

20. (*a*) Appointments shall be made on probation for a period of 2 years provided that this period may be extended if the officer on probation has not qualified for confirmation by passing the prescribed departmental examinations. Repeated failure to pass the departmental examinations within a period of 3 years shall involve loss of appointment.

(*b*) If, in the opinion of Government the work or conduct of an officer on probation is unsatisfactory, or shows that he is unlikely to become efficient, Government may discharge him forthwith.

(*c*) On the conclusion of his period of probation, Government may confirm the officer in his appointment, or, if his work or conduct has in the opinion of Government been unsatisfactory, Government may either discharge him from the Service or may extend his period of probation for such further period as Government may think fit.

(*d*) If the power to make appointments in the Service is delegated by Government to any officer, that officer may exercise any of the powers of Government under this rule.

*In order to prevent disappointment candidates are advised to have themselves examined by a medical practitioner preferably a Civil Surgeon, before applying for admission to the examination. Particulars of the nature of the medical test to which candidates will be submitted before appointment and of the standards required can be had from the Commission. Candidates will have no right of appeal against the decision of the Medical Board.

Recruitment by promotion shall be made by selection from among the subordinate gazetted and ministerial establishments of the Service concerned after consultation with the Commission and the officer selected will be appointed by Government. No officer shall have any claim to such promotion as of right.

22. Recruitment by transfer from another Service or Department shall be made by Government after consultation with the Commission, from among members of such other services or departments as may be determined by Government when occasion arises.

(*iii*) If a candidate is not in Government service, or is employed in Government service only in a temporary capacity at the time that he submits his application, he shall apply to the Commission through the proper authority of the area in which his parents reside at the time of submitting his application, or have resided for a period of not less than three years, or in which the candidate has himself resided, otherwise than as a student, for a like period. A Government servant who is employed in a temporary capacity should, however, before submitting his application, obtain in writing, on the prescribed form, the permission of the Head of the Office or Department in which he is employed.

*The submission of applications by persons in Government service is further governed by the Government Servants' Applications for Posts (Central Services)/(Railway Services) Rules (published with the Government of India Home Department/Railway Department (Railway Board) Notification No. F. 510/31-Ests./No. E. 34-R. R. I., dated the 7th June 1934/22nd January 1935, as amended from time to time), and the corresponding rules made by Provincial Governments.

(iv) The proper authority for a Governor's province shall be the Government of that province; for Coorg, Delhi, Ajmer-Merwara, British Baluchistan or Andaman and Nicobar Islands, the Chief Commissioner, and for a State in India, the Political Officer or Agent, who must be addressed through the Durbar.

(v) No candidate may make more than one application in respect of any one examination.

10. A candidate must be either

(a) a British subject domiciled in India or a British subject of European or Indian descent domiciled in Burma, whose father (if alive) is a British subject or a subject of a State in India, or (if dead) was at the time of his death either a British subject or a subject of a State in India or a person in the permanent service of the Crown or a person who had retired from that Service; or

(b) a Ruler or a subject of a State in India.

PROVIDED that in the case of a British subject the requirements of this rule (other than that concerning domicile or descent) may be waived by Government if satisfied that their observance would occasion exceptional hardship and that the candidate is so closely connected by ancestry or upbringing with His Majesty's dominions as to justify special treatment.

PROVIDED also that a ruler or a subject of a State in India cannot be appointed unless he has obtained a declaration under Section 262 of the Government of India Act, 1935, whether or not he has already obtained a declaration under Section 96A of the Government of India Act, 1919.

Note.—British subjects of European or Indian descent domiciled in Burma will not, however, be eligible to compete at the Indian Audit and Accounts, etc., Services Examination that may be held after the 1st April 1939.

11. A candidate must have attained the age of 22 and must not have attained the age of 25 on the first day of August of the year in which the examination begins.

PROVIDED that a Government* servant who is over the age of 25 and under the age of 28 at that date may be admitted to the examination if he—

(a) holds substantively a permanent appointment in a Department or Office whose superior staff generally constitutes the service for which he is a candidate, and

(b) is recommended by the Head of his Department.

12. A candidate must satisfy the Commission that his character is such as to make him suitable for appointment to the Service.

*For the purpose of this proviso, a person holding an appointment in the service of an Indian State is not a "Government Servant".

13. A candidate must be a graduate of one of the Universities enumerated in Appendix I to these rules or must hold the Senior Diploma of the Mayo College, Ajmer.

PROVIDED that in exceptional cases the Commission may on the recommendation of the Central Government or a Provincial Government treat as a qualified candidate, a candidate who, though he has not all or any of the qualifications prescribed in this rule, has passed examinations conducted by other institutions of a standard which in the opinion of the Commission justifies his admission to the examination.

14. No candidate shall be admitted to the examination unless he holds a certificate of admission from the Commission.

The decision of the Commission as to the eligibility or otherwise of a candidate for admission to the examination shall be final.

15. No recommendations except those invited in the form of application shall be taken into consideration. Any attempt on the part of a candidate to obtain support for his candidature by other means may disqualify him for admission.

16. Candidates must pay such examination fees as Government may prescribe (see Appendix III). No claim for a refund of any of these fees will be entertained, nor can they be held in reserve for subsequent examinations or selections.

17. Examinations under these Rules shall be conducted by the Commission in the manner prescribed in the regulations which form Appendix II to these Rules.

18. (i) After every examination the Commission shall make a list of the candidates in order of their merit as disclosed by the aggregate marks finally awarded to each candidate, and in that order so many candidates up to the number of vacancies announced under rule 6 above, as are found by the Commission to be qualified by the examination and are considered by Government or the appointing authority, as the case may be, to be suitable in all other respects, shall be appointed.

(ii) For the purposes of rule 5 of these Rules, selections for appointment to vacancies to be filled by members of a particular community or communities shall be made by Government or the appointing authority, as the case may be, after consulting the Commission, from candidates of that community or communities who have qualified at the examination.

19. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the discharge of his duties as an officer of the Service. A candidate who (after such medical examination as Government or the appointing authority, as the case may be, may prescribe) is found not to satisfy those requirements will not be appointed.

Only candidates who are likely to be appointed will be medically examined.*

20. (a) Appointments shall be made on probation for a period which will not ordinarily exceed two years.

(b) If, in the opinion of Government the work or conduct of an officer on probation is unsatisfactory or shows that he is unlikely to become efficient, Government may discharge him forthwith.

(c) On the conclusion of his period of probation, Government may confirm the officer in his appointment, or, if his work or conduct has in the opinion of Government been unsatisfactory, Government may either discharge him from the Service or may extend his period of probation for such further period as Government may think fit.

(d) If no action is taken by Government under sub-rule (b) or (c) of this rule, the period after the prescribed period of probation shall be treated as an engagement from month to month, terminable, on either side on the expiration of one calendar month's notice in writing.

(e) If the power to make appointments in the Service is delegated by Government to any officer, that officer may exercise any of the powers of Government under this rule.

(f) Particulars as to pay and general conditions of service prescribed for Probationers in the Postal Superintendents' Service will be found in Appendix IV.

The following Bill was introduced in the Council of State on the 24th February, 1938:—

C. OF S. BILL No. 1 OF 1938.

A Bill further to amend the Transfer of Property Act, 1882.

WHEREAS it is desirable to amend the Transfer of Property Act, 1882; It is hereby enacted as follows:— IV of 1882.

1. This Act may be called the Transfer of Property (Amendment) Act, 1938.

2. It shall come into force on such date as it receives the assent of the Governor General.

3. After section 108 of the Transfer of Property Act, 1882, the following section shall be added, viz.:— IV of 1882

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 5th May 1938.

Third and Final Forecast of the Spring Oilseed Crops of Bengal, 1937-38.

(*Note.*—On an average of the five years ending 1935-36, the area under linseed in Bengal has represented some 3·4 per cent. and that under rape and mustard 11·9 per cent. of the total area under these crops in India.)

Character of the season.—Since the issue of the second forecast, the weather and its effects on the crops have, on the whole, been fair. Some damage has been done to the crops by drought and caused the outturn to fall below the normal.

Area sown.—Oilseeds are chiefly grown in the Dacca, Rajshahi and Presidency Divisions. In the other two divisions, the cultivation is not extensive. The total area under the crops (excepting sesamum for which separate forecasts are issued) is returned at 951,100 acres as against 916,700 acres last year.

Outturn.—From the District Officers' estimates, the provincial outturn of the different oilseed crops works out at 80 per cent. of the normal as against 85 per cent. last year.

Taking 6¾ths maunds as the normal yield per acre for linseed, 7 maunds for rape and mustard and 4½ maunds for other oilseeds, the total yield of the crops for the province is estimated at 189,700 tons this year as against 195,100 tons (revised) last year.

Director of Agriculture, Bengal.

Dacca, the 11th May 1938.

Monthly Weather and Crop Report of Bengal for April 1938.

I. *Character of the season.*—During the month under review the rainfall was above the normal only in two districts of the province and below the average in the rest. The usual rainfall statement is appended.

II. *Progress of agricultural operation.*—During the first part of the month, more rain was badly needed for the preparatory tillage for and sowings of autumn crops. Rainfall during the latter part, however, was helpful to the progress of the operations. Harvesting of spring crops was over.

III. *State of standing crops.*—The condition of standing crops was reported to be generally fair.

IV. *Prospects and probable outturn.*—The prospects of standing crops were reported to be, on the whole, fair. The outturn of different spring oilseed crops was estimated at 80 per cent. of the normal for the province.

V. *Damage to standing crops.*—No appreciable damage to standing crops was reported from any part of the province.

VI. *Condition of agricultural stock.*—The condition of live-stock was, on the whole, fair. Sporadic cases of cattle-disease were, however, reported from ten districts of the province and from the States of Cooch Behar and Tripura.

VII. *Failure of pasturage and fodder.*—Supply of fodder was reported to be sufficient except in parts of Jalpaiguri, Darjeeling and Chittagong.

VIII. *Prices of food grains.*—During the second fortnight of the month the retail prices of common rice of the cheapest quality rose in eleven districts and fell in two. The price ranged from 10 seers per rupee at Faridpur to 16 seers per rupee at Birbhum.

IX. *Condition of agricultural population.*—The condition of agricultural population is, on the whole, fair.

And

In the matter of an election petition for setting aside the election of Maulvi Zahur Ahmed Choudhuri who was declared elected on the 2nd December 1937 to the Bengal Legislative Assembly from the Malda North (Rural) Muhammadan Constituency to fill the vacancy caused by the election having been declared void under notification No. 12464A.R., dated the 31st August 1937,

And

In the matter of an election petition for decision of doubts and disputes as to the validity of the aforesaid election,

And

In the matter of **Sher Mohammed Sarkar**, son of Jhaksu, of Mahanandapur, police-station Kharba, district Malda (elector), *petitioner*,

versus

Maulvi Zahur Ahmed Choudhuri, son of the late Shah Muhammad Choudhuri, of Makdumpur, district Malda (returned candidate), *respondent.*

Report.

In this case the petitioner, Sher Mohammed Sarkar, a voter of the Malda North (Rural) Muhammadan Constituency, has filed a petition in which he seeks to set aside the election to the Bengal Legislative Assembly of Maulvi Zahur Ahmed Choudhuri who was declared to be the successful candidate from the constituency mentioned above. It appears that the respondent originally stood as a candidate from this constituency at the time of the last general election. His election was, however, declared to be invalid. A bye-election was thereafter held on the 15th and 16th of November 1937, in which the respondent was again successful. It is in connection with the result of this bye-election that the present petition has been filed.

From the record it appears that the 27th of September 1937 was the last date for receiving the nomination papers of the candidates in connection with the bye-election. The 29th of September 1937 was the date fixed for the scrutiny of the nomination papers by the Returning Officer. The petitioner, who is an elector of the constituency, claims that the nomination papers of some of the candidates were improperly accepted and that the election itself was vitiated by reason of the fact that no notice of the intended election was published in accordance with the provisions of rule 4, sub-rule 3, of Part II of the Bengal Legislative Assembly Electoral (Conduct of Elections) Rules, 1936, hereinafter called the "Rules."

The petitioner bases his case with regard to the alleged invalidity of the election mainly upon the following facts:—

Under notification No. 7274A.R., dated the 19th March 1937, the Government of Bengal, in exercise of the powers conferred upon them by rule 3 and sub-rule (*1*) of rule 4 of the Bengal Legislative Assembly Electoral (Preparation, Revision and Publication of Electoral Rolls) Rules, 1936, published a list of Returning Officers. Under this notification the Sadar Subdivisional Magistrate of Malda was appointed as Returning Officer in respect of the Malda North (Rural) Muhammadan Constituency. In spite of this notification, however, it is alleged in the petition and in the particulars which were subsequently filed by the petitioner, that six intending candidates filed their nomination papers with the District Magistrate who was not the Returning Officer under the terms of the notification mentioned above. It is said that these six nomination papers were sent to the Subdivisional Magistrate by the District Magistrate on the 29th of September 1937, on which date the scrutiny was held by the former official in accordance with the terms of notification No. 12875A.R., dated the 15th September 1937, which was published in a *Gazette Extraordinary* of the same date. On the day after the scrutiny, one of the candidates, viz., Dr. Kalimuddin Ahmed, withdrew his nomination paper. In the meantime, namely, on the 27th of September 1937, the respondent, Zahur Ahmed Choudhuri, had filed another nomination paper before the Subdivisional Magistrate.

The contention of the petitioner is that the receipt of the nomination papers mentioned in paragraph 9 of the particulars by the District Magistrate was improper and that, this being the case, he had no jurisdiction to make them over to the Subdivisional Magistrate on the 29th of September and, further, that the Subdivisional Magistrate himself had no jurisdiction to accept the nomination papers in question, with the result that the election subsequently held on the 15th and 16th of November 1937 was vitiated.

The further main fact upon which the petitioner relies is that no notice was issued by the Returning Officer as required by the provisions of rule 4, sub-rule 3 of Part II of the "Rules." A notice purporting to have been published under this rule was issued by the District Magistrate on the 16th of September 1937, and the nomination papers which were received by him between the 20th of September 1937 and the 27th of September 1937 appear to have been filed in compliance with the instructions contained in the District Magistrate's notice, dated the 16th September 1937.

The following issues were framed in connection with this case:—

(*1*) Was there any non-compliance with the provisions of rule 4, sub-rule 3 (Part II) of the Bengal Legislative Assembly Electoral (Conduct of Elections) Rules, 1936?

Was the result of the election materially affected by such non-compliance, if any, in the manner alleged in the petition?

(2) Was any nomination paper improperly accepted?

Was the result of the election materially affected by such improper acceptance, if any, in the manner alleged by the petitioner?

(3) To what relief, if any, is the petitioner entitled?

With regard to issue No. 1, it is quite clear that there was a technical non-compliance with the provisions of the rule in question, as the notice of the 16th September 1937 was signed not by the Returning Officer but by the District Magistrate.

The main point, however, which requires consideration having regard to the terms of paragraph 7(*1*)(*c*) of Part III of the Government of India (Provincial Elections) (Corrupt Practices and Elections Petitions) Order, 1936, is whether or not the result of the election was materially affected by such non-compliance. In this connection, the evidence indicates that the intending candidates, when they filed their nomination papers, believed that the District Magistrate was in fact the Returning Officer, and there is no evidence from which it is possible to infer that any candidate was prevented from filing his nomination paper by reason of the non-issue of a notice under rule 4, sub-rule 3, of Part II of the "Rules" by the Returning Officer himself or that any voter was prevented thereby from exercising his electoral right. All the nomination papers filed before the District Magistrate were in fact accepted by the Returning Officer. It is true that on the 27th of September 1937, the respondent took the precaution of filing another nomination paper before the Subdivisional Magistrate and that one of the intending candidates, viz., Dr. Kalimuddin Ahmed, withdrew his nomination on the day after the scrutiny, namely, the 30th of September 1937. But the other candidates took no steps in the matter for the purpose of regularizing their position and they actually contested the election, apparently on the assumption that their nomination papers had been properly filed before the Returning Officer in accordance with the provisions of the "Rules." When the result of the election was declared it was found that the number of valid votes recorded in favour of the various candidates was as follows:—

(*1*) Abul Hyat Khan Choudhury, Khan Bahadur ...	2,747
(*2*) Mr. K. Ahmed (Barrister)	247
(*3*) Maulvi Reazuddin Ahmed	81
(*4*) Shah Zaman Maulvi	631
(*5*) Maulvi Zahur Ahmed Choudhuri	7,666

The total number of valid votes recorded was 11,372. It appears from the electoral roll that the total number of voters on the roll was 32,785.

As far as the candidates are concerned who actually contested the election, it is quite clear that non-compliance with the provisions of rule 4, sub-rule 3, Part II of the "Rules" could have had no effect whatsoever upon the result of the election. It is, however, contended that the result of the election was materially affected by Dr. Kalimuddin Ahmed's withdrawal on the day after the scrutiny, namely, the 30th of September 1937. With regard to this contention the petitioner himself has not given evidence in support of the allegations contained in his petition. Dr. Kalimuddin Ahmed was the only witness examined on his behalf and it is quite clear from his testimony and the other evidence that his chances of ultimate success at the election were nugatory. It is also clear that the respondent, who was actually elected by a large majority of votes, was a person of considerable political importance in the constituency, while Dr. Kalimuddin Ahmed was a person of insignificant standing among the electors and was not connected with any of the local political organizations. The evidence indicates that he withdrew his nomination on the 30th of September primarily because he was convinced that it would be useless for him to continue his campaign in the absence of any effective support and probably because he wished to avoid the danger of forfeiting his security deposit. We

re convinced that the withdrawal of Dr. Kalimuddin Ahmed's nomination made no material difference as far as the result of the election was concerned.

Having regard to the circumstances set forth above we find this issue against the petitioner.

With regard to the second issue, the evidence also indicates that there was a technical non-compliance with the "Rules" as the six nomination papers mentioned in paragraph 9 of the particulars were originally filed with the District Magistrate who was not the Returning Officer appointed under notification No. 7274A.R., dated the 19th March 1937. Mr. Clough argues on behalf of the petitioner that it should be held that the election was materially affected by the improper acceptance by the Subdivisional Magistrate of the nomination papers filed before the District Magistrate because, even if it be conceded that the respondent's nomination was in order, he was really in the position of an unopposed candidate by reason of the fact that the nominations of the other contesting candidates were invalid. We are not, however, directly concerned with the question of the invalidity, if any, of the nominations of those candidates who opposed the respondent. The question on which our decision is required is whether or not the irregular acceptance of the nomination papers of the candidates other than the respondent materially affected the result of the election.

Whatever may have been the position with regard to the first nomination paper filed by the respondent before the District Magistrate on the 20th of September 1937, there can be no question that the second nomination paper, which was filed by him before the Subdivisional Magistrate on the 27th of September 1937, fulfilled all the requirements of the "Rules." Even if it be conceded that the nomination papers of his opponents were technically irregular, it is obvious that the rejection of all or any of them could not have materially affected the result of the election, as the total number of votes polled by all his opponents fell far short of the number of votes recorded in favour of the respondent.

As regards Dr. Kalimuddin Ahmed, he did not actually contest the election; but even if he had done so, we do not think, having regard to the circumstances of the case and the evidence on record, that he would have received any support sufficient to affect its result.

This issue must also be decided against the petitioner.

In our opinion the evidence indicates that the non-issue of the prescribed notice under the provisions of rule 4, sub-rule 3 of Part II of the "Rules" by the Returning Officer and the issue of a notice purporting to have been issued under that rule by the District Magistrate on the 16th of September 1937, constituted irregularities resulting from a *bona fide* mistake, which in no way misled any candidate or voter. The primary object of the "Rules" is to ensure that sufficient notice is given to candidates and electors with regard to the steps which they should take in connection with an election, and this seems to have been done in the present case. The evidence shows that the nomination papers duly reached the Subdivisional Magistrate not later than the 27th of September 1937, that it was he who held the scrutiny on the 29th of September 1937, and that he performed all the subsequent functions allotted to him under the "Rules" as Returning Officer in connection with the election. In a case of this nature clear evidence should be forthcoming to show that the result of the election has been materially affected by reason of the alleged irregularities, but there is no such evidence before us.

We, therefore, find that the respondent has been duly elected and that the petitioner is not entitled to any relief. We recommend that the petition be dismissed and that the petitioner be directed to pay the respondent's costs amounting to Rs. 250. We report accordingly to His Excellency the Governor of Bengal.

Resolution on the annual report on the Survey and Settlement Operations in Bengal for the year ending the 30th September 1937.

GOVERNMENT OF BENGAL.

Revenue Department.

Land Revenue.

RESOLUTION—No. 274T.R.

Darjeeling, the 14th May 1938.

Read—

The annual report on the Survey and Settlement Operations in Bengal for the year ending the 30th September 1937.

Traverse survey was done by the method of post-pointing over an area of 1,091 square miles in Dinajpur and by the ordinary method over an area of 1 square mile only in the same district. Minor traverse work was carried out in a total area of 114·45 square miles scattered over several districts in the province. In addition the Survey Department did work of considerable value in comparative mapping, demarcation of boundaries and reproduction of maps. The total number of sheets printed was 13,120 against 11,062 in the previous year.

2. Major settlement operations were in progress in the districts of Rangpur, Dinajpur, Howrah and Hooghly, while minor settlements as well as the maintenance operations under section 158A of the Bengal Tenancy Act were conducted in sixteen districts.

3. The total area for which a record-of-rights has been completed is 60,782 square miles out of a total of 65,231 square miles to which the Bengal Tenancy Act applies. The maps and the records are as popular as ever and their usefulness in every branch of the administration is universally recognised.

During the year under report the privilege of certificate procedure was granted to twenty-eight estates. In view of the impending repeal of section 158A as proposed in the Bengal Tenancy Amendment Bill, a tendency was noticed on the part of some of the privileged landlords to postpone maintenance operations in their estates until the final result of the Bill was known.

4. Rai Bijay Bihari Mukherji Bahadur was in charge of the department throughout the year, except from the 7th to the 9th May 1937, when he was on leave, and Rai Nepal Chandra Sen Bahadur acted in his place. The Governor has much pleasure in acknowledging the efficiency and care with which the department of Survey and Settlement have been managed in the year under review. He is also pleased to direct that the good work done by the Survey Officer Major C. B. Sexton, the Settlement Officers Messrs. A. C. Hartley, F. O. Bell, S. B. Hatch-Barnwell, Rai Nepal Chandra Sen Bahadur, Rai Romesh Chandra Sen Bahadur, Rai Sahib Hira Lal Sen and by other officers mentioned in the last two paragraphs of the report be recorded.

Order—Ordered that the resolution be published in the *Calcutta Gazette*.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 9th May 1938.

Final Forecast of the Wheat Crop of Bengal, 1937-38.

[*Note.*—On an average of the five years ending 1935-36, the area under wheat in Bengal has represented some 0·4 per cent. of the total area under wheat in India. The ratio of the irrigated wheat acreage to total wheat acreage in (*a*) British India and (*b*) in the territory now reported on has, in the five years ending 1935-36, averaged (*a*) 41·7 and (*b*) 9·7 per cent. respectively.]

Character of the season.—As reported in the third forecast, the conditions have remained practically unchanged. The growth of the crop has been adversely affected by prolonged drought. On the whole, the season has been a fair one for the crop.

Acreage.—According to District Officers' estimates, the total area sown is 160,900 acres this year as against 149,500 acres last year.

Outturn.—The provincial outturn as worked out from the district estimate is 80 per cent. of the normal as against 84 per cent. last year. Taking the normal yield to be 9⅜ maunds per acre, the gross yield of the crop for the province is estimated at 45,400 tons this year as against 44,300 tons (revised) last year.

At the end of April the wholesale price of wheat in the Calcutta mart was Rs. 3-5 annas per maund or about 16 per cent. lower than the price ruling at the corresponding period of last year. The price of common rice at Calcutta, on the other hand, was Rs. 4-2 annas per maund or about 3 per cent. higher than last year.

GOVERNMENT OF INDIA.

[As introduced in the Legislative Assembly.]

A Bill further to amend the Code of Criminal Procedure, 1898.

WHEREAS it is expedient further to amend the Code of Criminal Procedure, 1898; It is hereby enacted as follows:— V of 1898

Short title.

1. This Act may be called the Code of Criminal Procedure (Amendment) Act, 193 .

Amendment of section 167, Act V of 1898.

2. In section 167 of the Code of Criminal Procedure, 1898,— V of 1898

(i) in sub-section (1), before the words "such Magistrate" the words "the place where" shall be inserted, and after the words "such Magistrate" the words "ordinarily holds his Court" shall be added; and

(ii) in sub-section (2), after the words "this section" the words "after hearing the accused or his counsel if the accused so desires" shall be inserted,

STATEMENT OF OBJECTS AND REASONS.

Section 167 of the Code of Criminal Procedure is intended to provide for the necessity of obtaining remand of the accused to custody, so that the police may be enabled to complete the investigation. The Magistrate is required to give reasons for granting the remand. The accused has a right in justice to place his side of the case before the Magistrate, before the reasons given by the police are accepted by the Magistrate. Every person charged with an offence is presumed to be innocent till he is convicted of the crime with which he is charged. Hence the detention before conviction should be as short as can conveniently be made. The accused is entitled to be placed on his trial at the earliest moment and should not unnecessarily be detained in custody. Hence it is in the interest of justice that the accused should have a right to be heard before he is remanded. There have been several cases during the recent years where the accused were not brought to the Court before the Magistrate for obtaining the remand. The Magistrate was instead taken to the place where the acused was detained. Without giving an opportunity to the accused to be heard, the Magistrates often pass orders of remand after hearing the police side of the case alone. This is not in accordance with the principles of justice. Hence the present amendment is necessary in order to make it obligatory on the part of the investigating authorities to produce the accused before the Magistrate in a calm and solemn atmosphere of Court before any order of detention is passed.

The 29th December, 1934. SANT SINGH.

STATEMENT OF OBJECTS AND REASONS.

Since the enactment of the Prevention of Cruelty to Animals Act, 1890 (XI of 1890), conditions have materially changed both in the attitude of the public towards the question of cruelty to animals and in the circumstances in which, in modern times, draught animals have to work That the Act in its present form is inadequate to check some forms of cruelty, and that public opinion in recent years has become alive to the question has been shown by legislation passed from time to time in the Provinces of Bengal and Bombay to make more effective provision for the prevention of cruelty to animals. In particular there has recently been abundant evidence of public opinion in favour of more stringent measures to suppress the practice of "phooka" Except in Bombay and Bengal the Act of 1890 has remained in force in its present form throughout British India Hitherto the subject has been a provincial one, but it is now open to Central as well as Provincial Legislation, and after ascertaining that the large majority of Provincial Governments are in favour of amendment of the Act by Central Legislation, it has been decided to introdce this Bill with the object of remedying defects which have been found to exist in the Act and in particular to make more effective provision for checking the practice of "phooka".
